Handmade TraverTine Side Table, Natural Stone Sculptural Accent Furniture...

Material: TraverTine

Variants: Size: Small—12×12×20 in, Medium—14×14×24 in, Large - 16×16×28 in, XL — 18×18×30 in

Featuring a solid travertine block base and a distinctive chiseled-edge tabletop, this piece creates a strong architectural presence while maintaining a warm organic feel. The tabletop is crafted with a real 2 cm travertine slab and an additional 3 cm drop edge, creating a luxurious 5 cm visual thickness. The honed top surface contrasts beautifully with the hand-finished natural edge detail. Perfect as a side table, drink table, pedestal stand, bedside table, or decorative accent in organic modern, Mediterranean, Wabi-Sabi, and minimalist interiors. Every piece is handmade from genuine natural travertine and will feature...

TraverTine Hollow Block | Modular Stone Furniture Block | Shelf Support | Architectural Building Block...

Material: TraverTine

Variants: Quantity: 1 Block, Set of 2, Set of 3, Set of 4, Set of 5

Modular TraverTine Hollow Block Create your own furniture system. This catalog entry is for one travertine hollow block crafted from natural stone. Designed as a modular architectural element, each block can be stacked, rotated, and combined to create shelving systems, console tables, coffee tables, TV units, benches, display stands, and custom furniture compositions. The integrated openings allow wooden shelves and panels to pass through the block, making it possible to build unique furniture configurations without complex hardware. Each piece is handcrafted from natural travertine and features unique pores...

Natural Black Marble Egg Decor, Polished Stone Sculpture, Luxury Shelf Accent...

Material: Marble

Variants: Set: 1 Piece, 2 Piece, 3 Piece

Each egg is carved from natural marble, which means every piece is unique. Natural veins, color variations, and small patterns are part of the stone's character and beauty. Lighting, screen settings, and photography may also cause minor differences in color appearance. These variations are not defects, but a natural characteristic of real stone. □ Note Due to the natural structure of marble, each piece will have unique veining and color patterns. The product you receive will be similar but not identical to the photos.
